SÈVELLE

MAPLE WINE

Sèvelle by Prestige blends spring floral notes with fresh hints of lemon and exotic fruits.

Sèvelle stands out with a pale straw-yellow hue highlighted by delicate green reflections. Its nose is light and inviting, revealing spring floral aromas and exotic fruits, where fresh lemon and peach intertwine, enhanced by a bright touch of citrus. On the palate, Sèvelle is dry, fresh, and vibrant, offering beautiful balance and a lingering finish.

A subtle nod to maple, the symbol of our land – a tradition that, like this wine, honors nature and Québec craftsmanship.
